5.(3) Nothing in this Agreement and nothing done under this Agreement shall inhibit Canada from taking such action as Canada considers necessary to control and extinguish any fire on the Yukon land.

6.(1) This Agreement shall remain in effect from year to year until terminated by one party by giving at least 60 days written notice to the other, except that during the period May 1st to September 30th, inclusive, this Agreement may be terminated only by the mutual agreement of both parties.
