## Average Single House Prices in Whitehorse

- The chart below shows average single house prices (does not include duplexes, condos or mobile homes) in Whitehorse, from the second quarter of 2003 to the second quarter of 2009.

The Bureau of Statistics first undertook the Yukon Real Estate Survey in 1977. The survey is a census of all real estate transactions occurring anywhere in the Yukon, with the exception of 'not-at-arm's-length' transactions ('not-at-arm's-length' transactions are those that do not reflect open market values). All single and multiple-residential property transactions, as well as commercial and industrial property sales, are included. The survey is divided into four parts: (1) Value of real estate transactions; (2) Type of real estate transactions in Whitehorse; (3) Value, number and average price of house sales in Whitehorse and (4) Average house prices in Whitehorse over the past six years.
